PARENT & FAMILY ENGAGEMENT MANIFESTO

As the parents, students, and community members who make up Portland Empowered, we are committed to ensuring that Portland's public high schools engage parents and communities in a way that...

- ◆ Values face to face relationships
- ◆ Creates safe spaces where everyone is welcome and valued as an expert
- ◆ Requires parents, schools and communities to work together to improve results
- ◆ Works hard to include the whole range of voices in decision-making processes
- ◆ Is accessible to parent and community leaders from diverse backgrounds
- ◆ Has sufficient resources devoted to it
